

iScanPhotoApp

The family photo organizer for Windows

For the parent who has everything: *every face, found.*

Forty years of photos, finally scanned, named and easy to share. The gift they'll open again and again.

THE BIG ONE

A scanning session at their home

from \$300 · or from \$399 with the app

We come to them, scan their prints while they watch, and name the faces with them. They keep every original, and get everything back on a USB drive. In Kentucky and Indiana.

ANYWHERE IN THE US

iScanPhotoApp Family

\$129 · one time, up to 3 PCs

For the family historian who already has the photos: faces found and named, old prints restored, the family tree, and a keepsake copy for everyone. Windows 10 and 11.

PERFECT FOR

Mother's Day

Father's Day

Christmas

Milestone birthdays

Anniversaries

Retirement

Family reunions

Make it an afternoon together

Sit down with them and let iScanPhotoApp ask "Who is this?". Name the faces only they remember, and record them telling the stories behind the pictures, in their own voice.
